TV/Radio Camp– Produce Your Own Show

Go behind the scenes of media and learn how to map out and create shows through radio and tv. Students will have the opportunity to learn how radio shows are created, how to make sound effects to mimic real life sounds, and write scripts that tell a story to the listener. We will also focus on how to edit video footage and understand the different ways to create viewed content. Students will gain an appreciation of both types of media and an understanding of how that media is created.

Date(s): July 31-Aug 3
Time(s): 8 am-3 pm
Ages: Rising 4th-6th
Meals included: B, L

Location: Horizons Unlimited
Cost: \$60
Instructed by: Kyle Whisenant
Maximum Enrollment: 24

Art/Make Camp—Past Meets Present

Every piece of art has a distinct style. Throughout history art has changed styles numerous times. This camp will study some of the most famous art styles and students will get the opportunity to create art based on those styles. Painting, sculpting, and creating is the focus of this camp helping student express their creativity and also help them understand the reasons why art changes and what makes it change. Take advantage of this opportunity to utilize Horizons Unlimited's two newly renovated learning spaces, The Refinery - Makerspace and the Think Tank - Design Lab! (This camp will include field trip to The North Carolina Museum of Art and the Art Park in Raleigh, NC - Price of trip included in camp fee.)
